1. Salad in a Jar

If you want to make a quick and easy that you can make under 10 minutes, the salad in a jar is a perfect choice. All you will need is your salad ingredients and a jar.

You will want to make sure the stack the ingredients so that your dressing comes out on top and your lettuce does not wilt.

Ingredients

- 1/2 cup leafy greens
- 1 carrot
- 1 avocado
- 1 red bell peppers
- 1 tomato or cherry tomatoes
- 4 oz. of meat
- 1/4 cup mayonnaise or olive oil

Grab your jar and add either olive oil or mayonnaise to the bottom of the jar. On top of that, you want to add your 4 ounces of meat. Meat choices could include chicken, beef, or smoked salmon. Then add either cherry tomatoes or chopped tomatoes.

Add in the red bell pepper and avocado. Add in 1 chopped or shredded carrot and then top with 1/2 cup of leafy greens.

Put the lid on the jar and placed it in the refrigerator until you are ready to eat. These are great to make up for the week to take to work and put in a bowl when you are ready.

The great thing about this recipe is that you can interchange the items. For example, if you do not want to do red peppers, you can always add in a different low-carb vegetable.

You can also interchange the meat and cheese. Just make sure that you are using only low-carb items when creating the salad.

If you eat high carbs, you run the risk of throwing your body out of ketosis.

2. Smoked Salmon and Avocado Plate

A great 10-minute recipe is to do a smoked salmon and avocado plate. This will require you to have smoked salmon on hand, but anybody on the keto diet should have this in the refrigerator at all times.

Smoked salmon makes for a great snack all day.

Ingredients

- 4 ounces of smoked salmon
- 1 avocado
- Cheddar cheese

To create this meal, heat up 4 ounces of smoked salmon. Slice avocado up, and slice cheddar cheese up. Arrange a plate and enjoy.

You can add to this plate by adding a boiled egg, or peppers, or another low-carb vegetable. This is a great snack, or it can even be a full meal.

7. Chayote Salad

Chayote is a great squash that is low carb and delicious. This salad will fill you up and help you to maintain the keto diet.

Ingredients:

- 3 chayote
- 1 serrano chile pepper
- 1/4 cup chopped cilantro
- 1/3 cup extra virgin olive oil
- Lemon juice
- 2 tablespoons apple cider vinegar
- Salt
- Freshly ground black pepper

Directions:

You will first want to seed and peel the chayote. After that, you will want to cut up the chile pepper.

Make sure that you remove any seeds if you do not want an extremely spicy meal. Remember to wear gloves while chopping peppers.

Put the chayote, chile pepper, vinegar, oil, and lemon juice in. Add in salt and pepper to taste. If you want to garnish this dish for extra flare, garnish with cilantro sprigs.

8. 2 Step Chia Yogurt

This chia yogurt makes for a perfect snack or even breakfast. Chia seeds are extremely beneficial to your health and can help you to lose weight quickly.

This a great choice when you are craving something sweet.

Ingredients:

- ½ cup Greek yogurt
- ½ tablespoon of chia seeds
- 1 tablespoon unsalted almonds
- ½ teaspoons almond extract
- ½ teaspoon of turmeric
- ½ teaspoon cinnamon

Directions:

in a large bowl, combine Greek yogurt, chia seeds, chopped almonds, almond extract, turmeric, and cinnamon. Mix well. You can eat this immediately, or you can store it in the refrigerator overnight.

If you do this, it will allow the chia seeds to absorb and expand. It is important to note that if you do this, do not be shocked when your yogurt turns bright yellow.

If you want to sweeten this chia yogurt a little more, you can add in a teaspoon of honey or put in a small amount of Stevia.

These are both all-natural and can help when you are craving a sweet dish.

9. *Pesto Cilantro dip*
